

Who's who in Grand Designs Awards 2009

British acknowledgment **Grand Designs Awards** recognises the importance of every-day design and quality.

In this significant event, held in London May 6th, Proiezioni system was selected, from over 300 products coming from all over the world, as one of the best six products for **Bathroom Product 2009**.

Ceramica Catalano is the only one sanitary-ware ceramic manufacturer to achieve this result with its Proiezioni collection.
