

Catalano, one of the best 100 design brands in the world

International
Forum
Design

According to IF - International Forum Design Institute, Catalano is one of the best 100 top-class design brands in the world.

Catalano is the only one ceramic-ware manufacturer in this very exclusive ranking, that involves prestigious design brands in all design categories in the world.

An important acknowledgment that awards our engagement in designing high-quality and well-made products.

IF Design Award is one of the most coveted award in the world for design excellence
